

ARE YOU A VISIONARY?

A Visionary is an entirely Self-referenced individual, and:

- Basks in the momentum of his/her own intentional reality creation
- Understands and uses the “Now” to his/her best advantage
- Understands the dimensions of focus and underlying quality of intent
- Actively uses *Innate Intelligence* as a partner for reality creation
- Knows there is more
- Lives life as an endless adventure that can only be brought about by a powerful alliance with Universal Forces.

Reality Creation is a product of a Visionary's: 1) unerring focus, 2) the exponential power of underlying quality of intent, and 3) a unique collaboration with *Innate Intelligence* available to us all.

Visionaries Thrive In All Times identifies the secret to intentional reality creation, happiness, success, boundless energy and an unparalleled participation in life – more valuable than ever in our rapidly changing times. Within these pages lie the blueprint and mechanism by which humanity enters into a golden age of prosperity, love and abundance – one individual at a time.

JAMES HAMILTON is an entrepreneur and full-time student of life. With over 30 years of meditation practice and a grounded approach to life, he offers practical wisdom that befits humanity in the throes of an upcoming resurgence of common sense and practicality.
